WARRANT FOR ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Blister Rust Control.

5. To see if the Town will vote to accept Town Road Aid and vote to raise and appropriate \$864.34, the State to furnish \$3,457.37.

6. To see what action the Town will take about building a new road leading from Hackleboro Road to the residence of Walter Goodwin and how much money the Town will raise and appropriate to build the same.

7. To see if the Town will vote to discontinue the piece of road known as the Sawyer Road, leading from the Canterbury-Northfield Road to the Merrimack River.

8. To see if the Town will vote to give the Selectmen authority to exchange land now owned by the Town adjacent to the easterly side of the so-called church lot at the Center and relinquish its rights to the rights of way now crossing church property, for land owned by the Congregational

Church of Canterbury, New Hampshire, on the westerly side of the church lot and other lands on the southerly side of the church lot and now extending into the present highway.

9. To see if the Town will grant a right of way over Town Land (the so-called Sam Lake property) to the rear of the church of the Congregational Church, Canterbury, N. H.

10. To see if the Town will vote to sell to Mr. G. H. Giles a strip of land extending 25 feet west from the corner of G. H. Giles' store building and extending north and south the length of the old town hall site.

11. To see what action the Town will take to provide a water hole for fire protection, and to see what sum of money the Town will raise and appropriate for the same.

12. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$500.00 for the purpose of installing flush toilets in the Town Hall.

13. To see if the Town will vote to give the Grange permission to make improvements on the Town Hall, at no cost or obligation to the Town, each project to be completed before the next is undertaken, and each project to meet with the approval of the Selectmen.

14. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this second day of February, in the year of our Lord nineteen hundred and forty-eight.

ARTHUR G. BROWN,

H. R. COLBY,

GEORGE PEVERLY,

Selectmen of Canterbury.

A true copy of Warrant—Attest:

ARTHUR G. BROWN,

H. R. COLBY,

GEORGE PEVERLY,

Selectmen of Canterbury.

BUDGET OF THE TOWN OF CANTERBURY

MARGERY JUNE RUGGLES,

Treasurer.

 ELKINS PUBLIC LIBRARY

The library hours have been changed to the following schedule: Tuesdays 2-5 and Saturday 2-5 through the summer months, and from December through April, Saturdays only, 2-5. The librarian sends books and magazines out to any patrons who are unable to come to the library at the one

opening day. Special arrangements have been made with the schools to facilitate their receiving any books they need.

We have been able to secure many books from the N. H. State Library, free of charge, which has given patrons a much larger assortment to choose from.

We wish to thank the donors who gave books for our library.

CLASSIFIED LISTING OF BOOKS PURCHASED—1947

Compiled from Accession Book Records by Librarian
Louisa J. Waldron

Biography	1
Historical Novels (2 gifts)	7
General Fiction	20
Juvenile Fiction (1 gift)	16
Western	1
Philosophy	1

Total	46

Total books purchased, 43; Gifts, 3.

Magazines available at the library are as follows: (Monthly) American, Better Homes and Garden, Cosmopolitan, Country Gentlemen, Ladies' Home Journal, McCall's, Reader's Digest, Redbook, Womans' Home Companion, Yankee, 3 Western Magazines, (weekly) Life and Saturday Evening Post.

The Trustees desire especially to call the attention of Canterbury people to this wide selection in the hopes that more of them will avail themselves of its opportunity.

ERVIN A. COGSWELL,
MARIAN TOWNSEND,
MARGERY J. RUGGLES,

Trustees.

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drought and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 25th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men

in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

THOMAS J. KING,
District Chief.

Respectfully submitted,

MALCOLM L. WILKINS,

Treasurer.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT

No buildings were lost by fire in Canterbury during 1947. The Fire Department responded to 14 alarms, as follows: 6 chimney fires, 2 roadside fires, 2 brush fires, 1 hay field fire, 1 roof fire, 1 rubbish left burning, 1 burning brush without permit (settled out of Court).

During the latter part of the severe drought in October, a fire patrol was maintained for 12 days. One attempt to set the woods on fire, by means of a candle left burning in a bed of leaves, was discovered and extinguished by the patrol. For the last two days, road blocks were maintained and the patrol of 32 firemen was assisted by 12 other townspeople in order to provide 24 hour coverage.

About half of our appropriation goes for fixed overhead, such as insurance and the red telephone system. From the remainder we were able to buy 4 new tires, a set of heavier rear springs, and a siren for Engine 1; tire chains for both trucks, 3 fog nozzles, 100 ft. of booster hose, lights, shovels, buckets, and various hose fittings.

Firemen training programs were conducted with equipment every Saturday afternoon during July and August.

Training films were shown at 4 of the monthly meetings, and at 4 meetings we had speakers on fire fighting methods.

Like most small towns, our greatest fire problem is lack of water. In Canterbury, this situation is growing worse. The town's investment, in public buildings in the Center, is increasing as new buildings are built and old ones improved. A water hole is needed to protect this area. Also, there are many new houses in town, and most of these have bored or driven wells. As this type of well is of no use to a fire truck, we need more booster hose, fog nozzles, and adapters in order to make the best possible use of water carried on the trucks. Our observation of fire fighting in other towns, during the drought last fall, has shown us how badly we need more of this type of equipment.

CHARLES D. WALDRON,

Chief.

AUDITORS' REPORT

We have examined the records of the Town Treasurer, Town Clerk, Tax Collector, Trust Fund Trustees, Road Agent, Library, Fire Dept., and Selectmen for the year ending Dec 31, 1947, and have found their accounts to be correctly cast and properly vouched.

MALCOLM L. WILKINS,

PAUL SCRIPTURE,

Auditors.

Feb. 7th, 1947.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Canterbury qualified to vote in district affairs:

You are hereby notified to meet in the Town Hall in said district on Saturday, March 6, 1948, at 2:30 p. m. to act on the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board to serve for three years to fill the vacancy arising from the expiration of the term of office of Arthur G. Brown.
5. To hear the report of Agents, Auditors, Committees or officers heretofore chosen and pass any vote relating thereto.
6. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
7. To determine and appoint the salaries of the School Board and other district officers.
8. To see if the district will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see if the district will vote to authorize the School Board to pay a rate of tuition in high schools in excess of the state average cost of instruction.

10. To see if the district will authorize the School Board to use school district funds to purchase, maintain, and operate school buses, where necessary, to transport pupils to the schools to which they are assigned.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Canterbury this 20th day of January, 1948.

ARTHUR G. BROWN,
LOIS E. JOHANSON,
School Board.

A true copy of Warrant: ATTEST:

ARTHUR G. BROWN,
LOIS E. JOHANSON,
School Board.

BUDGET FOR 1948-49

Canterbury School District

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1948.

DETAILED STATEMENT OF PROPOSED EXPENDITURES

Support of Elementary Schools :

Teachers' salaries	\$10,600.00
Textbooks	300.00
Scholars' supplies	350.00
Flags and Appurtenances	10.00
Other expenses of instruction	350.00
Janitor service	300.00
Fuel	520.00
Water, light and janitor's supplies	225.00
Minor repairs and expenses	600.00
Health Supervision (Med. Inspection)	305.00
Transportation of Pupils	2,700.00
Payment of Elem. tuition	0.
Other special activities	50.00
Total	<hr/> \$16,310.00

Other Statutory Requirements :

Salaries of district officers	\$205.00
Superintendent's salary	482.00
School census	18.00
Expenses of Administration	250.00
High school tuition	2,360.00

Fixed charges—Insurance	35.00
Retirement	487.50
Per capita tax	278.00
	<hr/>
Total	4,115.50
	<hr/>
	\$20,425.50

ESTIMATED INCOME OF DISTRICT

State Aid	\$7,011.14
Dog Tax	100.00
	<hr/>
Deduct total estimated income (Not raised by taxation)	7,111.14
	<hr/>
Assessment required to balance school board's budget	\$13,314.36

Respectfully submitted,

ARTHUR G. BROWN,
LOIS E. JOHANSON,

School Board.

January 20, 1948.

ARTHUR G. BROWN,
LUCIEN S. HILDRETH,
LOIS E. JOHANSON,

*School Board.**School District Treasurer,*

CHARLES EMERY MORRILL,

AUDITORS' CERTIFICATE

This is to certify that we have examined the books and other financial records of the school board of Canterbury of which this is a true summary for the fiscal year ending June 30, 1947, and find them correctly cast and properly vouched.

CHARLES L. WALLS,
EUNICE I. WILKINS,

Auditors.

July 17, 1947

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the Members of the School Board, Parents, and Voters
in the Canterbury School District:*

If given free rein, the thinking of man can release the most treacherous forces—ill-will, discontent, turmoil, suspicion, disbelief, hatred, and strife, or it can create the greatest blessings. The record of the ages is that a balance has always been struck between evil and good. Panics, disorders, misery, and wars give way to rule by and respect for laws and agreements, human betterment; peace and opportunities for folks to live their lives in freedom, rear their families, and honor spiritual attributes—eternal values.

The schools, now buffeted temporarily by the tensions and complexities of the times, stand for and promote programs designed to advance a race or nation of young people who are strong in body, alert in mind, straight-forward in purpose, and calm in inner life.

Facilities, materials, personnel, and funds are needed to provide for the accomplishment of the school's goals. This report will describe some of the steps which are being taken to attain the ideals for which we strive.

BUILDINGS AND EQUIPMENT

SAFETY

The safety of pupils in the school buildings, on the school conveyances, and on the school grounds is of major concern. Fire drills have been held frequently and pupils trained to care for themselves both during the exercises and in the event of an emergency.

CARTER SCHOOL CHANGES

Limited funds for repairs have been used on the Carter School for several years. The floor stringers were weak,

the interior needed redecorating, the flooring was worn, and the roof needs shingling. A portion of the renovating has been done during the summer, and the smaller half of the complete job left until next year.

An old woodshed at the rear of the school was so close that sills of the present woodhouse were rotting from lack of sunlight. The unused structure was in very poor repair and it seemed wiser to give it away for razing rather than to spend funds for its overhaul.

PUPILS

CONCORD HIGH SCHOOL TUITION

The Canterbury School District was notified of the desire of the Concord Union School District to discontinue its contract for the acceptance of Canterbury pupils in the Concord High School at a rate of \$125 per pupil. It set a new rate of \$150 per pupil effective in September 1947. The Canterbury School Board has made no contract with Concord but pupils are being sent there by verbal agreement at the new rate of \$150 annually per pupil.

CLOSING EXERCISES

The 1946-7 school year closed with exercises in the Kezer Hall on June 16, 1947, at 7:30 p. m. The program dealt with the topic of "World-wide Thinking". Mr. Arthur G. Brown, Chairman of the School Board, presented the diplomas to the graduates.

Blanchard School—	Betty Jean Hanson Raymond Earl Wilson
Carter School—	Phyllis Pearl Rowell
Center School—	James Paul Blanchard Rena Ethel Lamprey Robert Oliver Wilkins
Kezer School—	Percy Noel Huckins
Uplands School	Evelyn May Kinne

DENTAL CLINIC

A dental inspection was made among pupils in the primary grades. Fifty-two pupils were inspected; sixteen needed no treatment; eleven others were cared for in a school dental clinic. For the clinic, members of the Parent-Teachers' Association furnished transportation to carry the children to the office of Dr. Joel E. Nordholm in Tilton. The Canterbury Trust Fund Trustees provided some free service so dental treatments could be given to those most in need.

SCHOOL CALENDAR FOR 1947-8

First Term beginsWednesday, Sept. 3, 1947

No School—October 16, 17

November 10, 11, 27, 28

Close for Christmas vacation at
usual time, Friday, Dec. 19, 1947

Second Term beginsMonday, January 5, 1948

Winter Vacation—Close school at usual time on
Friday, February 20, 1948

Third Term beginsMonday, March 1, 1948

Spring Vacation—Close school at usual time on
Friday, April 23, 1948

Fourth Term beginsMonday, May 3, 1948

Summer Vacation—Close school on Friday, June
18, 1948

 Daniel W. Wentworth (Dr. S. Quain) XI

"No-School" SIGNAL BY RADIO

"No-School" signals will be given by radio. The closing of any school after the beginning of the morning session will be done by teacher announcement in that building.

"No-School" Announcements will be made:

CONCORD RADIO STATION WKXL 1450 on Dial and

LACONIA WLNH 1340 on dial

7:15 a. m.

7:30 a. m.

7:45 a. m.

8:00 a. m.

Schools will be closed on account of weather only when the conditions make walking very difficult or travel by car hazardous.

The "No-School" signal may not be sounded this year or next. Rain-or-shine, storm-or-cold, the schools will be kept open, save for safety's sake.

TRANSPORTERS

To the Blanchard School, Mr. Ernest Greenwood

To the Carter & Center Schools, Mr. Olaf E. Wells

To the Kezer School, Mr. E. Arnold Storrs

HEARING TESTS

By joint purchase, a Maico Tru-Tone Audiometer has been obtained for hearing tests in Supervisory Union, No. 59. This is equipment similar to that in an otologist's office and brings to each pupil a true test of his hearing losses.

SCHOOL LUNCHES

In WPA days, excellent school lunches were provided for many children. Gasoline rationing finally prevented delivery of the hot meals to the schools. The health of children would be improved if hot lunches could be served again, meals which would provide at least one-half of the daily food ration for each growing boy or girl. Groups of parents in other towns are clubbing together to render this service, under conditions which seem no more difficult than those in Canterbury.

TEACHERS

SUMMER SCHOOL ATTENDANCE

These complex times in which we are living and the more complicated conditions which seem ahead for the boys and girls now in school when they mature, demand us to have the most efficient and well-trained teachers we can procure. Study tends to make for efficiency, so the Board was willing to grant the request of Mr. Lawrence A. Wiggin to attend summer school for twelve weeks, starting late in May and ending in August. A substitute was provided for the few days required to fulfill the stipulated number in the school year.

IN-SERVICE TRAINING

Large industrial firms hire employees who have attended college and who have a degree. Then, they provide in-service training facilities so advancement can be fairly rapid. Some of the firms are starting college graduates, men without experience in the industry, at more than \$200 per month and in addition, give a training program so promotions in position and salary come quickly.

Canterbury has not been able to secure the services of teachers who hold college degrees. It has not yet provided the salary inducements to encourage teachers to study summers to obtain additional training to cope with the problems of education in these complex times. If salaries remain at present levels in Canterbury and teachers are not encouraged to seek summer school studies, a program of in-service training with a part-time director of instruction should be provided soon.

MINIMUM SALARIES

With greatly increased State Aid to school districts, the State Board of Education established minimum salary standards for teachers in all public schools effective July 1,

1947. The stipulations may be summarized thus: (see original for exact wording)

1. Teacher with less than four years of college preparation, and less than five years successful teaching experience, not less than \$1700 per school year.

2. Teacher with less than four years of college preparation and five or more years successful teaching experience, not less than \$1800 per school year.

3. Teacher with four years or more of college preparation, and less than three years successful teaching experience, not less than \$1800 per school year.

4. Teacher with four or more years of college preparation, and three or more years of successful teaching experience, not less than \$2000 per school year.

TEACHERS EMPLOYED

Miss Martha R. Hayward, who taught at the Carter School last year, was unable to continue teaching, later died about the time schools opened. Mrs. S. Katherine French who was transferred from the Blanchard School, originally with the intention of saving travel through an exchange of positions with Miss Hayward, has been retained at the Carter School.

Miss Clara S. Ouellet of Beebe River, N. H., successful teacher in several positions over a period of years, accepted appointment to the Blanchard School.

Miss Favor at Center, Mrs. Lampron at Kezer, and Mr. Wiggin at Uplands continue to give their effective direction.

Miss Priscilla E. Marrotte, Music Supervisor, married in June. Her position has been taken by Miss Jane R. Vogel of Manchester, formerly on the staff of the Tilton-Northfield High School, with music training at River College.

TEACHERS' MEETINGS

One of the most important jobs of administration is to provide means whereby teachers may be cognizant of changing methods, materials, and teaching. In this supervisory union, teachers are attending a series of meetings throughout

the school year, particularly emphasizing "Child Development and the Curriculum". In each of these meetings, teachers take part as speakers, and a portion of each program is scheduled for voices from outside.

September 2—Visual Presentation of the Theme: "All Children are Created with Personalities", through the use of films prepared by the Yale Clinic of Child Development.

September 10—Safety and Health Education in the Curriculum. Dr. Kathleen Robinson, School Physician, addressed the subject of "Physical Examinations for All", and Safety on School Buses was shown in the film, "Priceless Cargo".

October 8—Learning and Expressing through the Arts. The main speaker: Dr. Mildred Landis, Supervisor of Fine Arts in New Hampshire.

November 5—Child Development through Human Relations and Experiences, Mrs. Ralph H. Smith, Laconia School Board member, and Rev. Paul V. Hostetter, Gilford PTA member, discussed "Parents Want Schools to Teach Living".

January 7—Pupil Achievement in School Studies. Mr. and Mrs. Arthur H. Erholm of Tilton, formerly connected with New Jersey Institutional work, handled the topic "Handicrafts, A Part of School Life".

March 3—Child Development and Conservation. A Program of Conservation and Reforestation was outlined by Mrs. Marion H. Atwood of Sanbornton and Extension Forester, Mr. K. E. Barraclough of Durham.

May 5—Child Development and Learning Levels. Mr. Donald F. Piper, Director of Youth Services, Concord, will describe "Learning Levels in High School Subjects".

FINANCES

ANNUAL SCHOOL DISTRICT MEETING

On April 5, 1947, the School Board presented in the Town Report, a School Budget calling for an Assessment of \$14,046.00. The District voted to raise and appropriate this sum for the 1947-8 school year.

The 1947 Legislature voted a 500% increase in State Aid. Under this legislation, Canterbury's allotment was estimated to be \$7,144.94. A legislative requirement was that a special school district meeting be held to appropriate the estimated State Aid funds.

SPECIAL MEETING

On July 10, 1947, a special school district meeting was held. It was voted that \$3,000 be allotted to the reduction of taxes for school purposes and the balance (est.) \$4,144.94 be appropriated for current school expenses.

EFFECT OF THE NEW STATE AID BILL

The immediate effect of the State Aid appropriation by the 1947 Legislature shows in a statement received early in December from the State Board of Education.

I. Equalization Aid:

One-room schools approved	4 x \$1800	\$7,200.00
Other elementary pupils	14 x \$ 75	\$1,050.00
Secondary students	18 x \$ 100	\$1,800.00
Total Formula Program		\$10,050.00
Equalized Valuation (1947)	\$669,931	
Less \$6.00 Tax on Equalized Valuation		\$4,019.59
Total Equalization Aid		\$6,030.41

II. General Aid:

Elementary pupils	<u>92 x \$12.33</u>	<u>\$1,134.36</u>
Secondary students	<u>18 x \$16.44</u>	<u>\$ 295.92</u>
Total General Aid		<u>\$1,430.28</u>
Total Aid—Available December 1, 1947		<u>\$7,460.69</u>

In 1948, there may be a reduction in General Aid because of greater enrollments throughout New Hampshire in 1947.

CONCLUSION

In submitting this eighth annual report, an outline of our joint efforts during the twelve months past, it is a pleasure to express appreciation to citizens, school board members, teachers, pupils, special workers, and employees in various capacities, for cooperation, understanding, industry, and success.

Respectfully submitted,

DONALD P. MATTOON.

LOUIS D. MORRILL, Town Clerk

IN CASE OF FIRE

TELEPHONE

CANTERBURY 7-7-7

This number calls the "Red Telephones" a conference hook-up of 3 special lines in the Center. These telephones are so constructed that no outgoing calls can be made from them; therefore the line is never busy.

Call this number *only* to report a fire. Give your name, the exact location of the fire, and describe the fire carefully. Operators at the Center will call all necessary help. If outside help is needed, the proper equipment will be sent from the Department nearest the fire.

Don't hesitate to call us for any fire, or threat of fire, no matter how small. If you have a flooded oil burner, or a chimney fire, or a short circuit, don't wait to see what it's going to do. Just call Canterbury 7-7-7. We're at your service—day or night.

CANTERBURY VOLUNTEER FIRE DEPARTMENT.
